“LIKE A ROAD TRIP THROUGH A DAVID LYNCH FILM, WITH MOVIE CLUB YOU NEVER KNOW WHERE YOU’RE GOING TO END UP”

Featured in *Rolling Stone*, *Paste*, and *Glide*, Movie Club is an instrumental rock band out of Venice Beach that boasts an incredible range and full sound. Drummer Jessamyn Violet and guitarist Vince Cuneo have released four albums of original material since forming in 2018. The duo features special guests on several songs, including Foo Fighter Rami Jaffee on keys, Jessy Greene (P!NK) on violin, and Tim Lefebvre (Davie Bowie’s *Blackstar*) on bass. Packed with strong beats and searing riffs, their songs range from ballads to headbangers. **All music is ONE STOP and registered with BMI.**
